Things That Move Friday the 8<sup>th</sup>

## April:

Simple Machines Monday the 29<sup>th</sup>

## May:

The Outdoors Tuesday the 14<sup>th</sup>

STEAM classes are from 11:30-3:00. The cost is \$35.00. This is separate than Parent's Day Out. Students will be challenged to ask questions and solve problems. These classes are separated into two different groups according to age (so if you sign up your four and three year old they will not be in the same class together). Call the office to sign up. 402-990-3497
